**A FRIENDLY VISIT TO OUR INDIAN STATIONS 1914**

The **Wa She Shu Casino** Crew -

We welcome you to the Tribal Grand Opening Monday May 23rd. The public Grand Opening is Thursday May 26th. The best of luck, WIN BIG!

\*\*\*\*\*

Shout out and congratulations to **Courtney Dunn** (PLPT) who signed her letter of intent to continue her softball career at Simpson University.

Shout out, congrats, and welcome to UTTC's **Terae Briggs** (Crow) who signed her letter of intent to continue her basketball career at UNR.

[Office of the President American Indian Initiatives at ASU](#) added 11 new photos to the album: [2016 American Indian Convocation](#) — at [ASU Gammage](#).

ASU had a record-breaking 361 American Indian/Alaska Native graduates for the Spring

Indian American Indian Convocation. More than 30 tribes/communities were represented. [#ASUgrad](#)

## **Sand in a Whirlwind**

Sand in a Whirlwind is a dramatic account of the events surrounding hostilities between white settlers and Indians in the spring of 1860. Thirty years after its publication, Ferol Egan's now classic tale continues to enlighten and engage readers. [books.google.co.in](http://books.google.co.in)

**Become an Agent of Change**

**Dear Prospective Student,**

**Interested in becoming an agent of change in the world of environmental policy? If so, Pace**

**University's new Master of Arts in Environmental Policy can help you reach your goal.**

With so many environmental challenges facing us today, we need skilled practitioners who can work across a variety of disciplines to build a more sustainable future.

Simply put, our two-year, 45-credit program will prepare you to be an effective public advocate and build a career – or advance your career – that will bring meaning to you, our society, and the planet.

We invite you to take the next step - classes begin this fall. The deadline to apply is August 1.

For more information:

## **Is the Doctor In? Why Leonard Peltier and Other Aging Prisoners Lack Adequate Medical Care**

### **Members of the International Leonard Peltier Defense Committee,**

**Truthout:** Medical staffing shortages at federal prisons are limiting prisoners' access to health care, and for aging prisoners, this can mean a death sentence. The continued incarceration of elderly prisoners, including Leonard Peltier, doesn't serve justice, isn't financially sustainable and doesn't protect the public. [Read the Article](#)

### **24 Hours of Random Acts of Kindness Event!** Thursday, May 19

#### **WORLDWIDE EVENT LOCATIONS!**

\*\*\*\*\*

Last week the **Women's Bureau announced the availability of \$1 million in grant funds** to support research and analysis needed to develop and implement paid family and medical leave programs in jurisdictions across the country. The Funding Opportunity Announcement outlines the grant priorities, evaluation factors, and application guidance for up to six competitive grants.

The Department of Labor's Employment and Training Administration, along with the Women's Bureau, will host a Prospective Applicant WebEx webinar on Thursday, May 12, at 2:00 p.m. EDT. Participants will have an opportunity to ask questions during the webinar. Interested prospective applicants must register for the webinar in advance of the event, by [clicking here](#).

[Click here](#) to read the Funding Opportunity Announcement, Frequently Asked Questions and press release.

\*\*\*\*\*

For those of you pursuing MSW's meet **Gina Jackson**, daughter of Rhonda and stepdaughter of Dan Mosely (Pyramid Lake). She is a member of the Community Solutions Team, Office of Management and Budget and serves as a White House Liaison. She facilitates the biweekly meetings for the White House on Native Affairs for Youth.

### **Lincoln and the Indians: Civil War Policy and Politics.** By David A. Nichols.

(Columbia: University of Missouri Press, 1978. Pp. 223, illustrations, notes, bibliography, index. \$16.00)

"SURELY, LINCOLN DID NOT HAVE TIME for Indians." Nichols aptly begins his work with this statement and then proceeds throughout the volume to evaluate it. While he concedes that Lincoln's energies were, of course, diverted by the Civil War, he concludes that Lincoln did

virtually nothing to reform the Indian system. Nichols surveys the Lincoln years and details some of the major events during this short but significant era of America's past.

This is an administrative history of Indian affairs and there is little attempt made to evaluate the long-range results of Indian policy on the Indian people who were most affected. The author demonstrates convincingly that the Indian Office during Lincoln's term remained as corrupt and in-effective as it had always been, and he traces specifically how politicians used the Indian Office for their own political and economic advantage. Nichols documents Lincoln's use of the Indian Office to advance his own political position and evaluates the importance that political considerations had on Lincoln's policy decisions.

Nichols concentrates his study in three major regions of the United States, including Indian Territory and Kansas, Minnesota, and New Mexico.

His discussion of the situations involving the Cherokees and the Sioux are valuable despite the fact that he has failed to *use* recent sources dealing with the Cherokee leadership during the Civil War. The work of Gary E. Moulton on Chief John Ross was not fully utilized, and the work of Kenny Franks on Stand Watie was almost totally ignored. The discussion of New Mexico during the Lincoln years provides a brief survey of Carleton's policy toward the Navajos and Mescaleros, but the presentation lacks detail and depth.

Published works by Lawrence Kelly, Gerald Thompson, and Frank McNitt were not used, and instead such books as Dee Brown's *Bury My Heart at Wounded Knee* was used as documentation. This was unfortunate because the minor mistakes distract from the overall value of the volume.

In spite of the criticisms offered above, *Lincoln and the Indians* is an important contribution to the study of the American Indian. It graphically exposes the widespread corruption of the Indian Office and the politicians who controlled that branch of the federal government. It demonstrates the extreme importance of political and economic considerations surrounding the formation of Indian policy, and it shows how the Indians were caught up in the web of governmental mismanagement, bureaucracy, and corruption. Nichols has provided us with a scholarly survey of Indian policy during the Lincoln years which will be of interest and use to those academicians interested in Lincoln, the Civil War, and American Indian policy during the first half of the 1860s.
