We are in 2020 my loves!! I am so excited for the future. Our blood is on the ground!! More than EVER we shine, as we are the survivors of the bravest warriors that grace Mother Earth. We can live without Palefaced Humanoids- they will auto destroy without us. We await the time of the great cleansing. All other prophecies have already taken place before our eyes. Remain in survival mode, take Extra good care of your mind, body and soul it will determine your survival. I send Love and light! Help in anyway you can those who need. In Prayer, Forward we go!

**Vacancy Announcement- [Grants Evaluation Specialist](#) GS 9-12, Seattle,
WA Open: December 19, 2019 Close: January 6, 2019**

The following are the duties of this position at the **GS-12**. If you are selected at a lower grade level, you will have the opportunity to learn to perform all these duties, and will receive training to help you grow in this position.

- Implement national policies, standards, procedures and guidelines with regard to the monitoring and evaluation of all applicable programs. Provide guidance to Indian tribes and Tribally-Designated Housing Entities (TDHEs) regarding the interpretation and application of grants evaluation program policies and procedures.
- Participate as individual or member of functional team to conduct targeted compliance assessments of specific TDHEs using diagnosis, problem analysis and resolution, and follow-up. Provide technical assistance to TDHEs by responding to inquiries, disseminating relevant information, identifying needs, and assisting in the development of tailored packages to address those needs. Develop and initiate corrective actions for non-compliant grant recipients. Initiate enforcement and referral actions to address substantial non-compliance issues. Refer severe compliance issues to the appropriate Departmental officials with recommendations for addressing the issues.
- Provide feedback to the Division Director regarding the effectiveness of current policies and procedures in meeting ONAP objectives and the unique concerns of assigned Indian communities.
- Monitor performance indicators and implement long-term proactive performance trending so that potential problems are identified and solutions developed before they reach the problem state. Use available resources to develop solutions to complex and data-specific problems. Track the effectiveness of implemented solutions through on-site visits, feedback questionnaires, interviews with appropriate personnel, and remote monitoring.

Soldiers Unknown - Book Talk and Signing

Tuesday, January 14, 2020, 6:00 PM

California Historical Society - 678 Mission Street, San Francisco

[More info](#)

Author and historian **Chag Lowry** will present his newest book, *Soldiers Unknown*, a graphic novel which tells unique and powerful stories of the Yurok men who fought and died in WWI. After his presentation, Chag will answer questions from the audience and participate in a book signing.

About the Book:

–Father, where did they go, and what did they see, these Yurok Native men who fought in World War One?

–The answers are there for us to find, son. But the more important questions are how did they return home, and when did they find peace?

This World War I epic, *Soldiers Unknown*, reveals the untold story of the native Yurok men who fought and died for the United States of America in the Great War. Conscripted from their tribal home in Northern California by a country they barely knew - to serve in a war they could hardly call their own - these young men nevertheless demonstrated immense courage and humanity on the battlefields of France in the Meuse-Argonne offensive. **Chag Lowry** is a historian and writer of Yurok and Maidu descent and has crafted a beautiful and poignant tale that Rahsan brings to life with images.
