I want to update you on the agenda for the <u>Meeting of the Minds 2020 Annual Summit</u> in Phoenix, AZ from February 19-21. Our schedule is a little different than in past years – here is the overview (click to view larger):

This event schedule is designed to maximize your time in active discussion, networking, and knowledge transfer. The green areas of the schedule are talks and panels from the stage, blue sections are coffee breaks and receptions for networking, and the yellow areas are small group discussions and workshop tours.

A few important topics and themes we'll be discussing this year:

- Smart region strategies, governance, and partnerships
- Electrifying mobility in cities
- Innovative curb management
- Resilience and climate innovation
- Who gets to manage the public right of way?
- The future of work
- Seamless integrated mobility operating systems
- Global water equity
- Data and digital governance
- Managing and innovating policy and governance

This year's Meeting of the Minds Annual Summit features over 97 speakers and 425 attendees from 15 countries. We hope to see you there to contribute your thought leadership and perspective to the discussion.

# Address the Ecological Crisis, Aboriginal Peoples Must Be Restored as Custodians of Country - EcoWatch

### **Autumn Harry**

Really excited to be traveling to Missoula, Montana for the World Premiere of Connection, a film co-directed by <u>Tracy NC</u> and <u>Ciara Lacy</u>.

Film description: Autumn Harry, a lifelong angler had never fished beyond the boundaries of her reservation until she picked up a fly rod. On a trip to Washington to cast for steelhead, she unpacks what it means to overcome her own image of who is a fly fisher and uses the sport to fight for conservation.

Connection is a 2020 Selection at the <u>Big Sky Documentary Film Festival</u> and will be competing with other films for the Mini-Doc Competition. Wish us luck!
