My grandpa John H Dressler on top of ITCN building. Finally there is a correct picture of him somewhere. UNR has it wrong no matter how many times we've corrected them lol. Anyway it's awesome to have this up in Reno!

Titus soon plans to push Avi Kwa Ame as national monument

The congresswoman said Friday she intends to introduce legislation ushering in federal protections for 450,000 acres of land near the southernmost tip of Nevada.

[HUD.gov/Press](https://www.hud.gov/Press)**HUD Announces \$83 Million to Deliver Equitable COVID-19 Relief to Tribal Communities**

WASHINGTON - The U.S. Department of Housing and Urban Development (HUD) today announced the awarding of more than \$83 million in Indian Community Block Grant-American Rescue Plan (ICDBG-ARP) grants to 74 Tribal communities to prevent, prepare for, and respond to the COVID-19 pandemic. This is the third round of ICDBG-ARP awards, underscoring the Biden-Harris Administration's commitment to delivering equitable COVID-19 relief to Tribal communities.

A breakdown of the awards by recipient is available [here](#).

These funds to Tribes will help protect the health and safety of their communities, particularly low- and moderate-income individuals and families, by expanding access to safe housing, a suitable living environment, and economic opportunities.

“It is imperative that we continue providing Tribal communities with resources needed to protect the health and safety of their communities,” said **HUD Deputy Secretary Adrienne Todman**. “With the funding HUD is awarding today, we remain diligent in continuing our mission to ensure that every person has the security of a healthy home and community. HUD will continue to strengthen partnerships with Tribal communities to ensure that all communities receive equitable relief.”

Today's announcement follows HUD's previous awards of \$74 million in ICDBG-ARP grants to 68 Tribal communities in [November](#) and \$52 million in ICDBG-ARP grants to 49 Tribal communities in [December](#). The American Rescue Plan included a total of \$280 million for the Indian Community Development Block Grant program; HUD will announce additional ICDBG-ARP awards on a rolling basis.

The Department and the Biden-Harris Administration have made delivering equitable COVID-19 relief to Tribal communities a priority. The American Rescue Plan Act provides a total of \$750 million dollars in HUD resources to Indian Country to support the continued fight against COVID-19. In 2021, HUD made a [historic \\$450 million investment](#) in Indian Housing Block Grants (IHBG-ARP) to Indian tribes across the country to respond to COVID-19. The Department also invested [\\$5 million in COVID-19 relief](#) for Native Hawaiians.

HUD and the Biden-Harris Administration remain committed to meeting and prioritizing the needs of Native communities.

**It seems a little ridiculous to me that people are so afraid that their children are going to miss a whole month of learning.  
How about using this month to teach them how to cook, check the oil in the car, do laundry, treat others with respect, sew on a button, deep clean, balance a checkbook, etc.  
Not all learning is done in a classroom!**

### **A Community Forum: Reckoning with Nevada’s Boarding School Past**

Beginning in 1890, thousands of American Indian children were sent to Stewart Indian Boarding School in Carson City, Nevada as part of the U.S. government’s policy of forced assimilation. This community forum provides an opportunity to learn about and discuss this history and the traumatic legacy that remains. Participants include Stacey Montooth, Executive Director of the Nevada Indian Commission; Dr. Debra Harry, Associate Professor in the Department of Gender, Race, and Identity, University of Nevada, Reno; and the debut of Jean LaMarr’s performance, *They Danced, They Sang, Until the Matron Came*.

This program is a hybrid presentation. Register to join us live or virtually.

*Co-presented by Stewart Indian School Cultural Center & Museum, Carson City, Nevada*
