We will be sending out the IAC Markup on a biweekly basis.

## **USDA Announces Additional Assistance for Distressed Farmers Facing Financial Risk**

The U.S. Department of Agriculture (USDA) announced that beginning in April, it will provide approximately \$123 million in additional, automatic financial assistance for qualifying farm loan program borrowers who are facing financial risk as part of the \$3.1 billion to help distressed farm loan borrowers that was provided through Section 22006 of the Inflation Reduction Act (IRA).

FSA intends to provide a new round of relief that will include approximately \$123 million in automatic financial assistance for qualifying Farm Loan Program (FLP) direct loan borrowers who meet certain criteria. Similar to the automatic payments announced in October 2022, qualifying borrowers will receive an individual letter detailing the assistance as payments are made.

[Click here for the full announcement and more information.](#)

### **Bills introduced in the past two weeks that could affect Tribes and Tribal producers:**

**S.900** - *A bill to amend the Food, Agriculture, Conservation, and Trade Act of 1990 to establish a competitive grant program under which the Secretary of Agriculture provides grants to land-grant colleges and universities to support agricultural producers in adopting conservation and innovative climate practices, and for other purposes.*

Introduced: 03/21/2023

Sponsor: Sen. Young, Todd [R-IN]

Cosponsors: Sen. Smith, Tina [D-MN], Sen. Braun, Mike [R-IN], Sen. Schatz, Brian [D-HI]

**S.901** - *A bill to amend the Animal Health Protection Act to improve the prevention of the spread of animal diseases, and for other purposes.*

Introduced: 03/21/2023

Sponsor: Sen. Braun, Mike [R-IN]

Cosponsors: Sen. Smith, Tina [D-MN], Sen. Coons, Christopher A. [D-DE], Sen. Wicker, Roger F. [R-MS]

### **Collaborative Forest Landscape Restoration Advisory Committee**

Public Meeting on **April 4-6, 2023, from 8:00-5:00 am MT**

Summary: The Collaborative Forest Landscape Restoration Advisory Committee will hold a public meeting to provide advice and recommendations to the Secretary on the selection of collaborative forest landscape restoration proposals. The meeting agendas will include:

1. Evaluate 2023 Collaborative Forest Landscape Restoration Program (CFLRP) proposals and provide recommendations to the Secretary of Agriculture on proposal selection for funding; and
2. Development of CFLRP future process recommendations.

The meetings are open to the public and will be held at the Cesar Chavez Memorial Building, Room 221, 1244 Speer Boulevard, Denver, Colorado 80204. The public may also join virtually via telephone and/or video conference. Virtual meeting participation details can be found on the [website](#). Find more information [here](#).

## **Seeking Nominations for the Advisory Committee on Minority Farmers**

All nomination packages received by **April 24** will be considered.

The Department of Agriculture's (USDA) Office of Partnerships and Public Engagement (OPPE) is seeking nominations for individuals to serve on the Advisory Committee on Minority Farmers ("Advisory Committee"). The Advisory Committee consists of 15 members who are expected to serve a 2-year term and may be reappointed for an additional two terms. Advisory Committee members will represent historically underserved farmers and farming communities and should also reflect the diversity of agriculture in geography, size, scale, and type of production.

Find more information [here](#).

Upcoming hearings, business meetings and events to look out for include:

On **Tuesday, April 18 and Thursday, April 20**, the BIA will be hosting online Tribal Consultations regarding the \$2 million in Land Acquisition Funding appropriated to the Bureau. The land acquisition effort is intended to foster and restore lands to new and landless Tribes, at Regional authority levels, for the development of conservation practices, law enforcement, applicable regulatory policies, sustainable Tribal communities and economic development. For more information, [click here](#).

### **IAC First Annual MPPTA Fly-in**

This week, IAC hosted the first IAC Tribal Meat Processing Tour & Training Fly-In event! The event brought an exceptional opportunity to learn about many key aspects of Tribal meat processing infrastructure development and expansion from nationally renowned experts and examples. The event contained tours for attendees that provided firsthand exposure to the Tribally-run processing plant infrastructure, operations, and staff.

~~~~~  
The Harriman Alaska Expedition set forth to increase America's understanding of the Alaska region's natural history and native inhabitants. An album of photographs taken by various members of the expedition is presented in the collection, Meeting of Frontiers. Several of the pictures documenting the area's cultural diversity were shot by soon-to-be-renowned photographer Edward S. Curtis.

~~~~~  
**[To conserve, Nevada may try to buy back groundwater rights](#)**

Jake Tibbitts, natural resources manager for rural Eureka County in central Nevada, said the state is responsible for over-allocating water rights in areas that have then seen tight-knit farming communities pop up.
